

- 26 Pray that Christians around the world will respond to the Lord's call to go to the thousands of unreached people groups and help plant churches among them.
- 27 For visible unity among Christians as a testimony to the lost world of the transforming love of Christ (John 17).
- 28 For Christian workers in every part of the world to partner together for greater synergy, effectiveness and resourcefulness in fields that "are white unto harvest."
- 29 That the Lord will put on the hearts of wealthy people and nations to share generously with the billions of people around the world who suffer from poverty, lack of water, unemployment, and illiteracy.
- 30 That the Lord would convict in their consciences the world's leaders, concerning their corruption, and bring radical change into their minds and hearts.
- 31 Pray that the Lord would reveal Himself to every individual and family from an Arab background—through visions, dreams, signs and wonders—bringing them to a saving knowledge of Christ.

GLOBAL PRAYER INITIATIVE

31 WAYS TO PRAY FOR THOSE FACING RADICAL VIOLENCE,
HUNGER, DISEASE, ILLITERACY, AND POVERTY

- 1 Pray that the Name of Jesus will be lifted up among all nations (Philippians 2:10-11).
- 2 That the heart of each president, ruler and person in authority would be filled with the fear of God, and rule with justice and wisdom.
- 3 For the church worldwide to be a light for the nations, with believers standing mature and complete in all the will of God.
- 4 That believers would walk humbly with our God in the power of His Spirit (Ephesians 5:18), bearing fruit for the Kingdom of God (John 4:36).
- 5 That the Lord would equip spiritual leaders and wise teachers, so that believers grow and churches spread all over the world.
- 6 Thank God for religious freedom found in many countries, where Christians can worship freely and share their faith without fear.
- 7 Pray for rulers who forbid religious freedom and do not allow Christians to gather for worship, especially in the Middle East and South Asia.
- 8 Pray for persecuted Christ-followers, especially in Middle Eastern and Asian nations. Many live under severe physical torture and isolation.

- 9 Pray for all Christian leaders of underground cell groups of new converts—often vulnerable to imprisonment or worse—who are always ministering in fear.
- 10 For the Lord to grant courage for Christians to speak out against oppression, as well as real change in those places, and freedom to communicate one's faith.
- 11 That God will bring an end to the anti-Christian violence by militants in North Africa, the Middle East, South Asia, and other areas.
- 12 That the Lord would provide for all the physical and spiritual needs of the families of imprisoned Christ-followers.
- 13 That Christians worldwide will intensify intercessions for severe political and religious conflicts in the Middle East and Asia.
- 14 That the Lord would have mercy on victims of war in Iraq, Lebanon, Israel, Palestine, etc., grant them healing, and restore their losses.
- 15 For refugees in Darfur, Sudan, Lebanon, etc. May God's children minister in love to these millions of displaced people, who live in deplorable and seemingly hopeless conditions.
- 16 For high receptivity and response to the gospel, during the distribution of God's Word to summer tourists visiting Europe from closed nations.
- 17 Pray that the Lord will mightily use the latest adaptations of the *JESUS* film to transform millions of people who live isolated existences in fear, hopelessness, and much abuse.
- 18 Pray that every terrorist plot will be uncovered at the right time and that innocent, fearful civilians will not suffer.
- 19 For wisdom for the Western world to better understand the thinking of radicals and fanatics, deal correctly with them, and help defuse the tension of militancy.
- 20 For training of a new generation of Christian leaders from Arab backgrounds, to help reach Arabs worldwide with the gospel in relevant ways.
- 21 That converts from all backgrounds will be able to fellowship together as Christ's Body in every town, village and neighborhood.
- 22 For development of culturally relevant media (radio, TV, literature, Internet, etc.) to better communicate the gospel to every ethnic and people group of the closed nations.
- 23 That millions will respond daily to broadcasts of Christian radio and TV programming via phone, fax, e-mail and postal; for the workers who respond to their needs to minister with wisdom and accurate Biblical knowledge.
- 24 That God would provide every Christian worker in a closed nation with a team of 100+ partners who pray faithfully and donate generously.
- 25 That the Lord would call and send out a new generation of third world missionaries, who can communicate the gospel effectively to people in neighboring, unreached countries that have cultural similarities.
