

# OCEANIA

## AUSTRALIA

- Pray for God's outpouring on the Christians of Australia to be mobilized into personal involvement in the Great Commission. After recent horrendous destruction and death from bushfires (wild forest fires) near Melbourne, (Victoria) and widespread record flooding across Queensland, the nation has been shaken. Ask for God's grace and mercy to stir up a mighty seeking after Him.
- Pray for approval from local government officials for planned extensions to office and training space at National HQ in Melbourne. Pray for God's provision of finances required (\$150,000 estimated).
- Praise God for the many international students coming to Christ through Campus Ministry, and ask for wisdom and insight for CCCA leadership as they consider how best to equip these students to return home as church planters upon graduation.
- Pray for partners/point people to help launch new ministries on universities in Perth, Adelaide, Wollongong and Canberra.
- Ask for God's anointing upon the 180+ staff of CCCA for refreshment in their walk with Jesus, healing and wholeness for them and families and for fruitfulness in the mission.
