EAST INDIA

Praise items:

- Praise God for the student-led focus initiated this year, where each staff team will include the students as part of the planning process for future ministry in their respective ministry fields.
- For Web evangelism and the opportunities for ministry to the lost it provides for our ladies.
- Praise God for the success of the CPMI training programmes, helping us set the stage and move on with the vision of planning house fellowships.

Prayer requests:

- Pray for success of the "YOUTH TRANSFORMATION" program (vision-building training), done for 1,000 youth leaders at Khunti, Ranchi, 24-29 May 2009.
- That STINT (Short-term staff intern program) will help multiply Campus Ministry to 14 cities (seven now) and raise up more full-time laborers for Building His Movement here.
- For the CPMI teams to be effective in raising up house cell groups in East India.
- That the Lord raises up enough partners to stand with us and support the vision in staff lives.
- Pray that conviction and repentance will overcome those whose mob actions in Aug-Oct 2008, left many believers tortured or dead and thousands homeless in the state of Orissa. Pray that God protects and provides for Christians who continue largely neglected in refugee camps, afraid to return to damaged/destroyed homes and churches. Pray that God's Spirit will plant a vibrant, rapidly multiplying church where Satan sought to intimidate and extinguish all witness.
- For sufficient staff (~50 now) that we can place link, catalytic, or direct campus / city staff teams in all 100 urban centers. Currently we have direct staff teams in seven centers.
- For our ~100 church planting facilitators, working with other ministries to plant multiplying fellowships and saturate more than 100,000 unchurched villages in East India.
- That support-raising staff in East India will experience a tremendous spiritual and financial breakthrough as they continue to trust God to provide an abundance of ministry and staff support, in this especially challenged part of India. Pray that local believers will develop Biblical convictions regarding the Lordship of Christ, stewardship, and giving.
- Please pray for our associate director and our other GCTC, church planting, and admin. staff to live prayerful, holy lives in obedience to the Spirit.
- 2020 Vision - Pray that God would plant a community of spiritual multipliers (1% of population) in every student faculty, in every professional workplace, in every neighbourhood and village.

NORTH INDIA

- Praise God for the 880 churches established in 2008 in the State of Haryana. Continue to pray with us to see a church in every village (6,600) in Haryana by 2010.
- Pray for establishment of one more new ministry center in Anantanag, Kashmir. This center will help bring in new friends, to disciple and train them.
- For all Coverage teams working in the field to do the evangelism systematically and faithfully. Pray for their family members and their spiritual growth and protection.

- Pray that the Church Planters and FTT (Finishing the Task) workers can effectively work in their places and establish churches.

NORTH EAST INDIA

- Pray for the movement in cities. Pray that by 2015, we will have a ministry presence in all 24 urban centers through our disciples and student leaders.
- For partnership work for effective saturation and the strategy to plant an additional 6,000 churches in strategic unreached areas by 2015. Pray for International Leadership Academy (ILA), FCL, Church Planting Movement Initiators (CPMI) and other training to produce the leaders for this strategy. May we have churches in each village by 2020 as a result.
- That a spirit of repentance, reconciliation and passion for God and missions would sweep the Christian community here, which is nominal, deeply fractured ethnically, and leads India in immorality and substance abuse. Nearly 10% of the 50+ million people are "Christian."
- Ask God to give us at least double the current staff of 50+ so that we can place campus / city teams in all twenty strategic urban centers. Currently we have a presence in nine centers.
- For our ~140 church planting facilitators as they work together with other ministries to plant multiplying fellowships and to saturate an additional 6,000 rural unchurched target areas.
- That the North East will become a massive resource of prayer, finances, and manpower for helping to reach Assam and other less reached areas of North India with the gospel.
- Please pray for our associate director and our other GCTC, church planting and admin. staff to live prayerful, holy lives in obedience to the Spirit.
- 2020 Vision - Pray that God would plant a community of spiritual multipliers (1% of population) in every student faculty, in every professional workplace, in every neighbourhood and village.

SOUTH EAST INDIA

- Pray for the final year students who are willing to join full-time ministry but face many challenges and obstacles, especially in family circles. Pray that the Lord in His sovereign will and mighty power would clear the way for them to join the staff.
- Institute of Biblical Studies camp, 1-6 June – Pray that at least 500 student leaders from our region desiring to enrich their understanding of the Word of God would come, be enlightened.
- Sports Camp, 1-6 June - Pray 500 come for the sports-training program and God uses the believers to influence non-believing friends to choose the way of the imperishable crown.
- For the Church Planting Ministry be able to find good partners to work with and as a result churches would continue to be established in the unreached areas of this region.
- Pray that our former student leaders would continue to work in association with our ministry in their workplaces and continue to influence their world for the Lord.

SOUTH WEST INDIA

- Pray for spiritual revival in South West India and for building spiritual movements in all the ministry centers through the united efforts of Campus, Community and Coverage ministry.

- Pray for 29 of our student disciples to join the staff by July 2009.

Campus Ministry:

- Praise God for the ongoing Campus ministry in 19 centers and 87 college campuses.
- Pray for the Regional Sports Camp (AIA) and Students IBS from May 24-30, 2009.

Community Ministry:

- Pray for the Family life seminar for 40 families in Wynad, Kerala from 1 - 3rd May, 2009.
- Pray for the existing Bible study groups and prayer groups that all members would become spiritual multipliers. Pray that 5 new families will join as fulltime staff from among the spiritual multipliers.
- Pray for at least one Bible study or prayer group in every government office.
- Pray that we will be able to identify 100 new financial partners.

Coverage Ministry:

- Pray for the on going Church Planting Movement Initiators (CPMI) Training. Pray that the 100 pastors who are pressed into unchurched, unreached villages will be able to start church planting movements.
- Pray for the Town Strategy in 25 towns, as it equips the churches to participate in the evangelism and discipleship programs.
- Pray for the formation of several cell groups through the City Strategy and reaching out to cities and starting small churches in every 1,000 population target area.
- Pray for the 57 International Leadership Academy pastors and 100 churches that have been planted. Pray for the multiplication of these churches.

GCTC Bangalore:

- Pray that we will be able to build spiritual movements in the city by raising up multiplying disciples among students, graduates, teachers, and IT professionals.
- That God will enable us to equip 400 church leaders and partner with them to reach the city.
- Pray that we will be able to establish student leadership councils in all 20 campuses where we have ministry presence right now.
- Pray that we will develop 50 fully equipped student leaders who can initiate and lead the Campus movement and that all graduating disciples will be part of the graduate fellowship.
- Pray that we will have fully equipped teachers in at least 20 high schools and PUC and fully trained professionals in 15 corporate offices.
- Pray for the Summer Project in June and for the 17 disciples who are preparing for the project.
- Pray for 24 new staff members graduating from GCTC - for their future ministry and placement.
- That many potential multiplying disciples will join the full-time staff this year from all regions.

Church Planting Movement:

- Pray about our identifying all the unchurched and unengaged target areas.
- Pray about deciding Campus Crusade involvement in each of the target areas.
- Pray to the Lord of the harvest to send partners and CPMIs to each of the areas.
- For developing systems and materials for imparting training at every level without dilution.
- Pray for developing partners who are spiritual multipliers in all 1,000 population segments.
- Pray that the Lord will provide all the financials needs of the CPM.

JESUS film (*Magdalena*):

- Pray for the *Magdalena* dubbing, ongoing in Malayalam, Kannada, Tamil, Gujarathi and Marati languages. We also need to start dubbing in the Punjabi, Telugu and Assamese languages.

- Pray for the implementation of the Town Strategy to begin in every region, mobilizing local churches to plant daughter churches in these towns.

WEST INDIA

Pune Campus:

- Praise God for the 30 student leaders, who are actively involved in the ministry.
- Praise God for the ministry presence in five major campuses.
- Pray that students from our discipleship groups will join the staff as full-time missionaries. We are praying for ten people to join this year.
- For all the staff to have a closer walk with God and depend on Him to make the ministry fruitful.
- For the U.S. Stint team who will begin serving for a year in Mumbai in October.

Baroda Campus:

- Praise God for the music band, Dunamis, that the student leaders have formed.
- For His continued openings in Maharaja Sayajirao University, the only university in this city.
- For student leaders to join the staff. In recent years no new staff have come from this city.

Community:

- Praise God for the professionals who are regularly attending the Bible studies.
- Pray that the professionals will be involved in spiritual multiplication and will lead the ministry in these four cities - Baroda, Pune, Surat and Ahmedabad.
- Pray that at least one couple will join the staff from each of those four cities.

Coverage:

- Praise God for the partnerships which are involved in the "Finishing the Task" project.
- Praise God for the 60 teams of church planters.
- Pray that nothing will hinder these church planters from being actively involved in evangelism and discipleship, resulting in churches being established.
- Pray for the 20 mentors to set a good example as they guide the church planters in establishing sustainable church planting movements.
- Pray that God will protect all our field staff members and provide all their needs. Pray that God will give them boldness even in the midst of opposition.

SRI LANKA

- Pray for our country and for those who are struggling to survive due to the war.
- Pray for the 25 campus students who have made commitments for full-time ministry to take their commitment seriously.
- Pray for God's guidance on our campus student leaders as they share their faith and build students, and would be able to pass on the vision of movement building to the next generation.
- Pray that God would provide for all the staff and their children and keep them in good health.
